VINOLIA.
ANOTHER LOCAL OPINION.
A Gentleman resident in Hongkong writes:—"I might mention that for a year I had a relapse and great itching on the toes of one foot, and I suppose it was Eczema as whenever the weather was damp it discharged. I tried three or four different things without effect till I saw your advertisement about 'Vinolia.' I tried it and the good effect was evident at once. In a week or ten days I was quite cured."

The French Socialist delegate to the International Labour Conference, who it was stated had resigned, will retain his position at the conference.

It is reported that the International Labour Conference at Berlin has agreed to the prohibition of children under 14 years of age working in mines, performing night work, or working six hours work per day; also to forbid women labouring in mines, or the employment of children in unhealthy or dangerous trades. It has also been agreed to abolish Sunday labour, except in special cases.
